MISS GRAND INTERNATIONAL PUBLIC COMPANY LIMITED AND ITS SUBSIDIARY

AUDITOR'S REPORT AND INTERIM FINANCIAL INFORMATION

FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED 30 JUNE 2026

(UNAUDITED/REVIEWED ONLY)

Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Miss Grand International Public Company Limited and its subsidiary

I have reviewed the interim consolidated financial information of Miss Grand International Public Company Limited and its subsidiaries and the interim separate financial information of Miss Grand International Public Company Limited. These comprise the consolidated and separate statements of financial position as at 30 June 2026, the consolidated and separate statements of comprehensive income for the three-month and six-month period then ended, changes in shareholders' equity, and cash flows for the and six-month period then ended, and the condensed notes to the interim financial information. Management is responsible for the preparation and presentation of this interim consolidated and interim financial information in accordance with the Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim consolidated and interim financial information based on my review.

Scope of Review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 Interim Financial Reporting.

Emphasis of matter

I draw attention to Note 20 to the financial statements, which describes that the Company is currently engaged in multiple lawsuits concerning claims of breach of agreement, wrongful acts and defamation. These cases are under review by the Court of Appeal. My conclusion is not modified in respect of these matters.

16. Earnings per share

Basic earnings per share is calculated by dividing profit for the period (excluding other comprehensive income) by the weighted average number of ordinary shares in issue during the period.

Diluted earnings per share is calculated by dividing profit for the period (excluding other comprehensive income) by the weighted average number of ordinary shares in issue during the periods plus the weighted average number of ordinary shares which would need to be issued to convert all dilutive potential ordinary shares into ordinary shares. The calculation assumes that the conversion took place either at the beginning of the period or on the date the potential ordinary shares were issued.

The following tables set forth the computation of basic and diluted earnings per share for the three-month periods ended 30 June 2026 and 2025 were as follow:

	Consolidated financial statements
